These SLR (Single Lens Reflex) Cameras are highly recommended and appropriate for all classes offered by the Photography Department. With each manufacturer we’ve suggested models that range in price and features. All cameras have manual control of the f/stop and shutter speed and are paired with a normal fixed lens of either 35mm or 50mm. **No point-and-shoots or zoom lenses!**

### WHERE TO BUY

You can undoubtedly get the best deals by purchasing cameras through sellers on eBay. **BUYER BEWARE:** Sellers on eBay often misrepresent the camera, or take too long to ship, leaving you without a camera during the semester when you desperately need it.

We recommend these reputable sellers:

**K&M Camera**
(212) 523-0954
368 Broadway
(btw White and Franklin)
http://www.kmcamera.com
Mon-Fri 9am-7pm
Saturday 10am-6pm
