Education

Columbia University Expected 2022
MFA in Stage Management

Elon University 2016
BA in Theatrical Design and Production

The Traveling School 2010:

An international school that takes young women between the ages of 15 and 18 on semesters abroad using an experience-based curriculum. On my southeast Africa semester, I was exposed to many different ways of life while studying African history, literature and science, as well as volunteering in local schools and an orphanage.
